INFORMATION

ACCESS HOURS AT THE DATA PROCESSING CENTER

Access hours at the Data Processing Center will be changed as of Saturday, September 30, 1989.

The changes apply to maintenance of communications software, which at present takes place every Saturday, from 18.00 hours to 20.00 hours.

Due to technical improvements this maintenance will not be as frequent in future.

Maintenance will be carried out only on the following Saturdays, for remainder of this year:

Saturday, October 7, 18.00 - 20.00 hours

Saturday, November 4, 17.00 - 20.00 hours
(N.B.time)

Saturday, November 25, 18.00 - 20.00 hours

Saturday, December 16, 17.00 - 20.00 hours
(N.B.time)

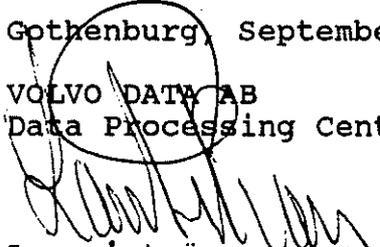

No system is accessible during these periods.

The Data Processing Center is open on all other Saturdays. For further information about access hours for subsystems please read - HELP.

We will be contacting you again before 1990 with further information about increased access hours on Saturdays.
